- 3) Students must meet the minimal academic level set by the Admissions committee, or the university will not offer admissions.
- 4) Please find the curriculum and educational management each majors/departments via 「Yonsei University Website(<http://www.yonsei.ac.kr/>)-Introduction」.

### 3. Eligibility

A. Both the applicant and the applicant's parents are of non-Korean nationality.

B. The applicant must have completed a (Korean or overseas) high school education or should be graduating from high school by August, 2016 or the applicant must have been recognized to have completed appropriate secondary education under article 98 of the provision of primary and secondary education ordinances.

C. The applicant must submit level 3 or higher in Korean language proficiency test like TOPIK which Yonsei University Wonju Campus recognized before coming semester.

※ **Applicants who apply for EIC or GED don't need to submit TOPIK or Korean language proficiency test score.**

#### ☞ Important notes for eligibility

- Those holding Multi-citizenship are not considered as foreigners.
- Korean-born adoptees of foreign nationality are considered as foreign nationals only if they acquired foreign nationality before entering elementary school(G1).
- If an applicant is a Taiwanese national and one of the applicant's parents is also a Taiwanese national, he or she is considered as a foreigner and qualifies to apply.
- The period of studies in elementary, middle and high schools are based on the Korea education system. [For those who have attended foreign schools it is to be considered that elementary school consists of 1st to 6th grade, 7th to 9th for middle school, and 10th to 12th as high school.]
- A foreign national who has finished primary and secondary education of less than a combines period of 12 years will be offered eligibility, only if that nation's education process is recognized and declared to be comparative to the 12-year Korean education system set be the Minister of Education, Science, and Technology. A comprehensive review of the nation's school system and recognition of the applicant's completion of high school will be performed by an admissions committee based on the domestic high school system.

D. As the evaluation for applying qualification is composed of verification of academic ability, arrival and departure and various certifications with basic evaluation continuous and synthetically by stage, so we do not notice an examination result and if additional documents were deemed necessary in the document evaluating process, we will contact with applicants individually.

E. Even after the application guideline was announced, it may support object is changed if we received guidelines from the Ministry of Education.

### 4. The Review and Decision Processes

A. Successful applicants will be selected by a comprehensive evaluation on the Middle and High School Transcripts(Middle school records will be referred on the basis of high school records), Personal Statement, International High School Standards Assessment Materials(高考 . AP . SAT . IB etc.), Awards, Certifications, Documents for Language Skills, Profile of Previous School(s), Recommendation Letters(EIC

Applicants must submit). But the applicant will be able to be selected for interview if he or she needs to be confirmed his or her submitted documents with the Office of Admission.

- B. If an applicant **does not follow the admission policy or fails to provide all the materials needed, he or she will not be considered for admission.**
- C. Any misconducts including forgeries, substitute exam-taking or cheating, and applicants who do not meet admission qualification will result in the immediate rejection of the application, or admission will be cancelled even if it has been already offered.
- D. The decision process will not be publicly available.
- E. Evaluation and decision processes are determined by the Admissions Committee of Yonsei University Wonju Campus. Other considerations will be made in accordance with the procedures and regulations of application of Yonsei University Wonju Campus.

#### **5. Enrollment Information in Accordance with Korean Language Proficiency**

##### A. Korean Language Proficiency Test

- 1) Successful applicants (except for East Asia International College) must take the Korean Language Proficiency Test at a designated place on Sinchon Campus and they can be recognized the level. Applicants who fail to take the test will be regarded as level 3 regardless of his or her actual Korean language proficiency.
- 2) Korean Language Proficiency Test Exemption: Completed and passed level 5 at Korean Language Institute(KLI) of Yonsei University, Completed and passed level 5 in Korean language program offered at International Education Center of Yonsei University Wonju Campus or completed and passed level 5 or higher in TOPIK offered at National International Education Institutes. (But, Yonsei University does not allow the completion of Korean language programs offered at any other institute or university.)
- 3) Applicants who are taking the Korean Language Proficiency Test and oral test (interview) must have an admission ticket and proper identification on the day.

**The final registered applicants who submit certificate for the course completion of Korean Language Institute (KLI), Yonsei University or certificate of completing Korean language program offered at International Education Center of Yonsei University Wonju Campus (who do not submit TOPIK score) must submit the TOPIK transcript within 1 semester after entering to university to the Office of Academic Affairs, Wonju Campus.**

## B. School System of Korean Language Proficiency

Successful applicants are given following completion condition as level of Korean Language Proficiency (completion).

Level	Regular Course Credits	Remarks
Level 5 (completed) or higher	<ul style="list-style-type: none"> <li>• Be able to register courses just like other students</li> </ul>	Required Courses <ul style="list-style-type: none"> <li>• Freshman 1st Semester: RC(1 credit), Leadership Development(2 credits)</li> </ul>
Level 4 (completed)	<ul style="list-style-type: none"> <li>• Maximum 12 credits per semester</li> <li>• Korean Language Courses are NOT required but can be taken</li> </ul>	<ul style="list-style-type: none"> <li>• Freshman 2nd Semester: Leadership Practice (2 credits) (Students can register for the required courses separately from regular courses.)</li> </ul>
Level 3 (completed)	<ul style="list-style-type: none"> <li>• Complete part of the regular courses and obligated to take Korean training course</li> </ul>	

※ If students take the Korean Language Courses in Wonju Campus, it will be accepted the credit of regular course.

# 【Important Announcement】
